

Investors In People

Course length: 1 hour*

Course Code: 103081BT008

This course gives an overview of the Investors in People Standard and the process involved in becoming recognised.

Benefits for the Learner

If the organisation you work for is considering seeking Investors in People recognition, you'll find this course an invaluable starting point to the whole process.

You'll learn all about the requirements of the Standard, be able to compare your current business practices to the Standard, and understand the next steps you will need to take if you choose to work towards recognition.

Benefits for the Business

Since its introduction over a decade ago, independent research has consistently shown that the Investors in People Standard provides real business benefits to organisations of all sizes and across the all sectors. For many businesses, these include improved earnings, productivity and profitability, reduced costs and wastage, enhanced quality and increased competitive advantage.

This course is an excellent first step in moving your business towards this nationally recognised benchmark.

What You Get From This Course

Having completed this course, you will be able to:

- Define the requirements of the Investors in People standard
- Compare your own organisation to the Standard
- Describe the processes involved in achieving recognition
- Understand the benefits Investors in People brings to a company, its staff and its customers
- Identify typical problems on the path towards recognition

How Long Does the Course Take?

You can work through this course at your own pace. It should take you around 1 hour to complete.

*Courses are accessible for six months from the date of purchase.
